WHEREAS, Sudden Unexplained Death in Childhood (SUDC) is a category of death in children between ages 1 and 18 that remains unexplained after thorough investigations, including an autopsies; and

WHEREAS, each year there are approximately 400 cases of SUDC in the United States – including more than 200 younger children between the ages of 1 and 4 – who die without any clear cause or explanation; and

WHEREAS, while less common than Sudden Infant Death Syndrome (SIDS), which occurs before the first birthday, SUDC is an important health concern deserving of increased public awareness and research; and

WHEREAS, SUDC is the 5th leading category of death among children ages 1 to 4 in the United States; and

WHEREAS, there currently is no way to predict or prevent SUDC as its cause is unknown; and

WHEREAS, it is hoped that future research will identify means by which SUDC can be prevented; and

WHEREAS, we recognize the dedicated efforts of organizations such as the SUDC Foundation, medical professionals, medicolegal death investigators and volunteers who are working to better understand the causes of SUDC, improve the health of infants and children, and provide much-needed hope and support for those families grieving the heartbreaking sudden, unexplained death of a child; and

WHEREAS, Sudden Unexplained Death in Childhood Awareness Month provides an opportunity to honor the memory of the young lives that ended too soon, show encouragement and support for the families and loved ones devastated by their loss and increase public awareness of SUDC and the ongoing search for answers;

THEREFORE, I, Jared Polis, Governor of the State of Colorado, do hereby proclaim the month of March, 2021 as

SUDDEN UNEXPLAINED DEATH IN CHILDHOOD AWARENESS MONTH

in the State of Colorado.

GIVEN under my hand and the Executive Seal of the State of Colorado, this first day of March, 2021

Jared Polis
Governor
