DEATH IN CHILDHOOD
FOUNDATION

SUDC Awareness MONTH

FUNDRAISING IDEAS

Take the Challenge to drive impactful change
by helping us raise **\$50,000**.

- ★ **Host a Facebook Fundraiser in memory of a beloved child:** Help raise awareness of SUDC and support the SUDC Foundation mission by creating a Facebook fundraiser. Share it with friends and reach a targeted goal.

- ★ **Host a Challenge Walk:** Join the many supporters who simply want to raise awareness and funds in memory of a beloved child by hosting a community challenge walk to benefit the SUDC Foundation. Walks are easy to organize and can be hosted in person or virtually.

- ★ **Bonfire T-shirt Campaign:** The SUDC Foundation has partnered with Bonfire to create an efficient, stress-free, streamlined process to host apparel fundraisers in memory of SUDC children.

- ★ **Matching Gifts and Workplace Giving:** Does your employer match gifts to a charity? A blue and yellow day is a fun idea to think about. Employees each contribute \$5.00 and wear SUDC Foundation colors, blue and yellow to work, regardless of whether in person or remote. Sometimes an employer will match these contributions, all donated in memory of your SUDC child.

Funds from these ideas all directly support SUDC Foundation Awareness Initiatives. Learn more by visiting sudc.org/sudc-awareness-month.
